## **SOT Additional Notes**

Please be aware that our seminars are only open to registered, certified chiropractic professionals and chiropractic students. By booking a place at any of our seminars you are confirming that you are a registered chiropractor or student attending 3rd year above (or NZ equivalent) and therefore have the right to attend.

SOTO reserves the right to ask for confirmation of these credentials prior to admitting anyone to a seminar, and also to refuse entry to a seminar to any individual who is unable to provide evidence of current registration. No refunds will be offered to individuals booking a place on one of our seminars who subsequently are refused entry on eligibility grounds - it is your responsibility to ensure that you are eligible to attend the seminars you have booked.

Please ensure you have read the seminar registration terms and conditions prior to registration.
