

S.O.T Unravelling Tongue Tie

Saturday 3 August 2019

MACKAY CBD

Time : 10.30 pm - 4.00 pm

Presented by :Dr Jo Sexton

Unravelling Tongue Tie

- ◆ Presenting the tongue tie child and it's mother.
- ◆ A Chiropractic, cranial - centric perspective.
- ◆ Understanding the neurological implications.
- ◆ Assessment , Management & Co Management.
- ◆ Tying it all together. The whole picture

"The chiropractor is perfectly poised to rehabilitate tongue tied people, as they have such a great understanding of how the cranial system should work and the ramifications of its tethering. This platform is ideal to learn how best to resolve and integrate both the structural and neurological impacts of tongue ties" **Jo Sexton**
