

University S.O.T Student Club President

To be eligible for this president's role, you must be enrolled as a 3rd, 4th or 5th year chiropractic student in the presiding year.

As Student President, you will have opportunities to liaise and network both within the organization and with other SOT practitioners

In recognition for the effort and dedication as Student President, the nominated person will be eligible to receive **FULL** sponsorship to the SOT Seminar series.(Categories, CMRT & Cranial)

One of the responsibilities as Student president is to continue to foster awareness of SOT, both within the University and amongst the students.

S.O.T Student Club President Role & Responsibilities

These areas are detailed in the following;

- Attend all three (3) sessions of the Seminar Series in the year of rein
- Organise a minimum of 4 meetings (SOT Club) during the year where students can further develop their SOT skills. Experienced SOT practitioners and board members will oversee these.
- Organise and co-ordinate an introductory talk to the students by a board nominated SOT practitioner at the beginning of the year.
- To create a continual and healthy line of communication with the student body
- To actively generate an interest in SOT at the student level
- To actively liaise with the board appointed Student Representative and update them with your efforts and progress.
- The president must become a Student SOT member
